

# Healthy Rewards Program

Your Priority Health Medicare Advantage plan includes the Healthy Rewards program, where you can earn rewards for completing healthy activities like getting your flu shot or your annual physical.

## How it works

- 1 | Complete healthy activities.
- 2 | Record completed activities in the Rewards Tracker in your account\* at [priorityhealth.com/rewards](http://priorityhealth.com/rewards) or by calling 833.415.4380.
- 3 | Rewards are automatically loaded to a rewards “purse” on your card.
  - If your plan includes an over-the-counter (OTC) benefit, rewards are loaded to that same card in a separate rewards “purse” after each activity is recorded.
  - If your plan doesn’t include an OTC benefit, a card will be mailed after the first reported healthy activity.
- 4 | Spend your rewards on anything in store<sup>1</sup>, excluding restricted items. Participating retailers include CVS, Kroger, Meijer, Walgreens, Walmart and more.

**Keep in mind, any rewards not used by the end of your plan year will expire.**

## Getting started is easy
