Legal was able to get in touch with Mr. Legghio regarding the Weiler settlement. Mr. Legghio states that there is still some legal process's that need to be completed.

#### **Administrator Report**

ABS updated the committee on the 16 members in the Duty Disabled HRA category that were in question.

11 members were switched out of that category. The committee asked ABS to research why they were still in that HRA, as they had converted previously.

Discussion held on the Weiler spouses who are divorced and are they still able to stay on the plan with benefits. This will need to go to the full board.

ABS was asked why there were so many DFFA members – ABS confirmed that on the pension report, anyone in the category of "Allied" is classified as DFFA.

Letter to the membership from Chet was discussed, and will be sent to full board for review and approval after Legal and Chet make a few changes.

The committee approved ABS to order 10,000 standard envelopes for the Business Agent mailing. The actual mailing will be done using the vendor that the RDPFFA uses.
