SUMMARY OF MATERIAL MODIFICATION #4

Dear Participant:

The Board of Trustees of the Local 639 Legal Services Trust Fund ("Fund") is pleased to announce two benefit improvements.

First, for services associated with the preparation of your 2024 income tax return, the maximum benefit has been **increased to \$175**. You will also be receiving a copy of the Fund's tax preparation notice with the revised form shortly.

Second, for services rendered on and after January 1, 2025, the hourly rate for Participating Attorneys who have contracted with the Fund to provide legal service benefits to eligible participants under the terms of the Plan has been **increased to \$150 per hour**.

The Fund's Roster of Participating Attorneys is included with this notice for your convenience.

This is a reminder that, under the terms of the Plan, you are not required to consult with or be represented by a Participating Attorney. You may contact any attorney of your choosing. If you engage a non-Participating Attorney, however, you must make your own fee agreements. Claims for the services of non-participating attorneys can be paid by the Plan, but they are subject to the same maximum hourly rate of \$150, the Plan's hours limitations, and other regulations and limitations that are specified in the Plan's Summary Plan Description ("SPD").

Please consult the Plan's SPD for a full understanding of your benefits and obligations under the Plan. If you have any questions, please contact the Fund Office at (202) 636-8181 or toll free at (800) 983-2699. Please note you may also access the SPD and the Roster of Participating Attorneys on the Fund's Participant website:
