SUMMARY OF MATERIAL MODIFICATION #2

Dear Participant:

The Board of Trustees of the Local 639 Legal Services Trust Fund (“Fund”) is pleased to announce a benefit improvement. For services rendered on and after March 7, 2023, the hourly rate for Participating Attorneys who have contracted with the Fund to provide legal service benefits to eligible participants under the terms of the Plan has been **increased to \$140 per hour**. The Fund’s Roster of Participating Attorneys was updated effective January 1, 2023. All of the attorneys on the Roster are available for consultation.

This is a reminder that, under the terms of the Plan, you are not required to consult with or be represented by a Participating Attorney. You may contact any attorney of your choosing. If you engage a non-Participating Attorney, however, you must make your own fee agreements. Claims for the services of non-participating attorneys can be paid by the Plan, but they are subject to the same maximum hourly rate of \$140, the Plan’s hours limitations, and other regulations and limitations that are specified in the Plan’s Summary Plan Description (“SPD”).

Please consult the Plan’s SPD for a full understanding of your benefits and obligations under the Plan. If you have any questions, please contact the Fund Office at (202) 636-8181 or toll free at (800) 983-2699. Please note you may also access these documents on the Fund’s Participant website:
